IN OUR IMAGE

We reflect the Jones' Image in all that we do. In our Stenography, Business Machine, Accounting, Marketing, Data, Grooming, and all of our other classes - the image is seen.

THE JONES' IMAGE

IN OUR IMAGE

Ours is a unique image. Those who create that image are special. Those who follow in that image are a select few. Others have attempted to imitate and copy that image, but they were just that - imitations. We have the real thing. We have the Jones' Image.

Jones' Students, past and present, reflect all that is implied by the word **business.** We have been trained to be skillful and efficient. In addition to the effective way that we perform in the real world, we have developed more important qualities, qualities that will be important to us even after leaving Jones. They will benefit us no matter what our choice of a career may be. These qualities are all a part of our image.

Outsiders see reflected in us style and taste in the way that we dress. Yes, we have guides and standards that direct us, but we have developed a sophisticated image. We take pride in the way that we present ourselves to others. Our grooming has been admired for a long time. We are models.

Our image involves an attitude. Many times when one has decided to be a part of the image that we project, they encounter those who feel that we are conceited and snobbish. That is not part of our image. Because we have made a choice to pursue definite goals and we know what we are doing, we have become confident. That confidence sets us apart. We feel good about ourselves, and our lives. Others can only imitate that image. We have directed our lives down a particular road and we are determined to follow that road without wavering until we have attained success. We have refused to let the negative comments of others sway our decisions. We are proud to be different because being different while doing something worthwhile will get us far in the long run.
WE REFLECT THE JONES' IMAGE.

Each year many students try-out for modeling in the Annual Fashion Show. This year was no exception. It became hard for the judges to decide at times with so much poise and sophistication.

SUCCESS-THE LADDER

The ladder to success is not an easy climb,
Climb it swiftly or be left behind.
The steps you take must be your best,
If you want to have success.
Be steadfast and very alert,
Please watch carefully or you might get hurt.
Keep a tight grip and move with ease,
Do this if you want to succeed.
When approaching the top, don't turn back.
No, not now! You're on the right track.
The final step and you have done your best.
Now you can say, "I have my success!"

JOY OF LIFE

The joys of life that we share,
Are simple things that we are unaware.

It is in the time of trouble that we fear,
But the good times are always near.

We should look for the joys in life,
And everything else that is nice.

Smile at the sorrow and pain,
But let the memories remain.

Not everything that is nice,
Will lead to the joy of life.

But to find it this is what you must do,
Look deep inside you.

And if you need a place to start,
Search deep within your heart.

What shall we say to you?
What advice shall we give?
What sayings of wisdom should we impart?
Which experiences shall we share?
We have reached the climax of our high school career,
And there are so many things ....
So many things to share with,
So many things to caution against.
Plan ahead,
Set goals and to live to reach them.
You can plan for and look forward to tomorrow,
But you can never relive yesterday.
Time passed is time past.
That means you must make the most of every minute you live.
Plan ahead,
Make time, quality-time.

I "gotta" make it!

A trophy for everyone.

STUDENTS GIVE THEIR

The Public Relations Club expressed their appreciation to all teachers at Jones with a certificate of praise accompanied by a pot of flowers.

There are many things that teachers are "asked" to do. They try in ALL ways necessary to help the students understand; this we appreciate. Thanks again to all teachers. You really did and still are "making this generation bloom!"

Mrs. Jarvis - What a nice surprise!

Mrs. Scott-"Thanks" Are you sure you have a tie on?
Mrs. Cooper-Just lovely, dear.

Mrs. Leggett-This is sweet!
Mrs. Curylo-How nice!

LATIN CLUB BROUGHT CHRISTMAS TO THE LITTLE ONES

The Latin Club truly displayed goodwill to some children who might otherwise have had an uneventful and yes, sad Christmas Holiday. Santa himself found time to drop by with enough presents for everyone. The candy, cake, and punch were not nearly as sweet as the smiles resulting from this very special event.

He'll be here later. Maybe we should save him some candy.

I don't know. I just live here.

Hey, this is great!

Here's Santa, finally!

Watch out Mean Joe!

You can have the paper. I'll take the present.

DANCE WITH THE LATIN CLUB

On March 18, 1983, the Latin Club held its "Spring Fantasy." It was a huge success. Many say it was the best attended dance of its kind in Jones' history. This was the right way to bring in **"Spring."**

ON THE JOB OPPORTUNITIES

Jones holds a great reputation for its job opportunities. Each year Jones students are prepared to enter the business world. Our major areas include: Stenography, Accounting, Marketing, Data Processing, and many more.

Donita Lake takes instructions from her supervisor, Mr. A. Carrado of Marshall Studios.

Elvira Campillo listens to her supervisor of Liquid Carbonic, a corporation that hires many of Jones students.

Ms. Carol Blasck of National Trust For Historic Preservation instructs Lisa Campbell.

Donna Martin is seated taking instructions from her supervisor, Donna Steigerwald of Liquid Carbonic. Mr. Dewey Erzinger is Advertising Manager.

China Martin, a present Jonesite receives instructions from Robin Alxander, a former Jonesite. They are now employed by Borg Warner Acceptance Corporation.

HARD WORKING PEOPLE

If I could reach the moon, I'd grasp it in my hands,
Then the stars all around it would be in my command.

Never will I lead it in the wrong direction,
For I am ever striving and reaching for perfection.

Of course, there has been times when I've said, "no more,"
Then I started to reach for an unopened door.

There will be times and times again,
But I'm sure hard working people will never come to an end.

The End of The Road

It all started back when I was four years old, or five.
The lessons, the teachers, the homework that made me feel like I wanted to die.

Learning my addition, I counted on my fingers,
And these childhood memories will forever linger.

When I was in eighth grade, I can recall my graduation.
That was one obstacle in life that I leaped over.
then high school was my next dedication.

I met so many people at so many places at two different schools.
When I first attended Jones I learned the golden rule.

Now is the time that all good things must come to an end.
We must kiss our old friends goodbye, and get ready for a new trend.
It's the end of the road, the last mile.
And after all the toil and troubles, I can say it was worth the while.

Board of Election Commissioner Corneal Davis gives his annual lecture

Commissioner William Blair and Mrs. Phillis Miceli, secretary to the Fire Commissioner and Jones graduate of 1974, joined the Jonesites.

On May 19, 1983, the students marched to City Hall where they were greeted by officials of the Chicago Board of Election Commissioners. During the 1982 - 1983 school year more than 250 students registered to vote. The Voter Registration was initiated during the 1973 - 1974 school year. This year marks a special event at Jones Metropolitan because the Voter Registration Project was one of ten citizenship projects initiated by teachers in the Chicago Public Schools. Mrs. Billingsley, our teacher-sponsor, received the Oppenheimer Family Foundation Award of $500.000.

Be a good citizen.

Register now!

Now I can vote!

What is all the fuss about??

ANNUAL EMPLOYER'S BREAKFAST

On May 13, 1983, the senior students of Jones honored their many employers at an Appreciation Breakfast held in the Grand Ballroom of the Conrad Hilton. It was a beautiful sight to see all of the students formally dressed: ladies with hats, gentlemen with suits and ties. The employers, students, and coordinators mingled, greeting one another and chatting at 8:30 A.M. Dr. O'Malley greeted everyone and invited them to enjoy the delicious breakfast. The speaker, Murrell Duster, Associate Professor-Northeastern University, was fantastic. Clockwise: Belinda Stringer, Miss Business; Mr John Worthy, Business Advisory Council; Mrs. Andrea Fain, Jones Educational Council Chairman.

"HE WHO PROSPERS THROUGHOUT THE YEARS, FINDS GREAT ACHIEVEMENTS AT THE END." By: O'Morris Adams, Jr.

LETTER TO THE GRADUATES OF 1983

Dear Class of 1983:

You are the first to graduate under our new name, Jones Metropolitan School of Business and Commerce. It was a transition year for you.

Transitions are always difficult. They bring with them many multifaceted feelings of insecurity. However, you handled our transition excellently. As juniors you enrolled in Jones Commercial High School in a chrysalis stage and emerged from Jones Metropolitan School of Business and Commerce as beautiful butterflies do from their protective cocoons, into the wide yonder of your business careers.

I hope you will recall Jones with some nostalgia, but do not dwell in the past. Do use what you have learned in the past to create a rewarding and happy futue for yourselves.

My very best wishes go to each and every one of you.

Sincerely,

Joan E. O'Malley

MR. AND MISS BUSINESS SPEAKS

. . . . . On my way out to conquer the world! That is how I feel. Nevertheless, a part of me longs to stay in the sheltered life of school. Now is the time when I must walk a separate path from my classmates. It is a sad time in a way, but we must move ahead to bigger and better things. As you go, I wish you well. Years from now when we glance back at this school, my hope is that we will be leading happy and productive lives. We must make the best of any situation that we may find ourselves in and be happy.

Belinda Joy Stringer

. . . . . Slowly but surely we have now come to the end; Not so much the end as the beginning of another phase in this oblivion which we call reality.

We have to expect the unexpected, explore the misunderstandings, and experience the almost surprising discovery, which is us. That is why we as individuals must go forth and seek our own goals in our way for we have a destiny to fulfill.

Joel Cabrera
